STUDENTS NEWSLETTER

Latest news & updates from Regenesys Institute of Management, India.

GREETINGS FROM REGENESYS!

Welcome to the Regenesys student newsletter for 2017-2019 MBA Batch. The weekly newsletter contains the highlights of the academic and holistic development activities undertaken by the students in the last week. The newsletter will keep you connected with us and informed of the happenings. It will enable you to keep a track of your child's progress.

We appreciate your feedback on our newsletters and welcome any suggestions. If you have any comments or suggestions, please feel free to contact us. We would really like to hear from you.

ACADEMICS

A range of interesting academic activities kept Regenians occupied through this week. One of the most looked forward events was a guest lecture by AHRM industry expert **Mr. Sanjay Mishra** on HRM legislation in India, its application in policy making and different models.

The week also saw our Regenians brainstorming to understand why several e-commerce companies such as Flipkart, Swiggy, Ola and others are incurring huge losses.

Mr. Sanjay Mishra
Head HR at USMNC, Mumbai Corporate Office

ACTIVITY

The week was quite a memorable one for our Regenians as they worked towards eliminating their stage fright and nervousness by participating in an elocution session. The session was an initiative of Placement Club members Aditya Shet, Singanamala Meena, Shubhi Verma and Vikraman Veer. It helped Regenians improve their communication skills and strengthen stage presence.

While the Placement Club helped Regenians improve their communication, the Marketing Club members Rohit Das, Archala Salve, Rohit Pal and Shaurya Ajmera conducted a lively discussion on the upcoming edition of college magazine R-Vizija. Sports Club members Srirama Krishna, Sanchay Kumar, Suraj Ghunawat, and VK Deephan organised a football practise session that witnessed excellent participation by Regenians.

STAR OF THE WEEK

Rohit Das for his excellent contributions towards the college magazine and efforts to maintain the Regenesys standards.
