## GREETINGS FROM REGENESYS!

Welcome to the Regenesys student newsletter for 2017-2019 MBA Batch. The weekly newsletter contains the highlights of the academic and holistic development activities undertaken by the students in the last week. The newsletter will keep you connected with us and informed of the happenings. It will enable you to keep a track of your child's progress.

We appreciate your feedback on our newsletters and welcome any suggestions. If you have any comments or suggestions, please feel free to contact us. We would really like to hear from you.

## ACADEMICS

Regenians were given their very first assignment for AHRM.

Their learning so far is now being put to test and they are excited to prove their mettle. The Regenians presented a very lively role play on the HR recruitment and selection process, as part of their overall skill assessment.

During the week, the Regenians also got a chance to interact with AHRM expert Mr. Sanjay Mishra who explained them the HRM legislation in India, its application in policy making and different models.

## SPECIAL FEATURE

An industrial visit was arranged for our Regenians. They were taken to the Securities and Exchange Board of India (SEBI). The trip was very enlightening.

They were given a presentation on the importance of saving and investing, as well as a fascinating insight into the workings of the securities market. In addition, the important role that SEBI plays as a protector and regulator for investors was also highlighted. The relationship between the risk and returns of the various investment instruments was explained to them. This helped them understand the various options available to the investors, including the dangers of certain short-term debt.

## ACTIVITY

This was a very colourful week as our Regenians came dressed in the colours of Navrarti. The nine days of celebrations culminated in a fun Garba and Dandiya at the end of the week.
